The goal of Mt. Helix Academy is to teach the skills and knowledge necessary for its students to be high academic achievers, self-managed learners, eager learners, likeable to others, and highly ethical in social interactions. Achieving this goal depends on the strength of the three-way partnership between the school, the students, and their parents. Accordingly, each partner concerned with the success of the Mt. Helix Academy goal for the student named above makes the following commitment:

Statement of Mt. Helix Academy's commitment:

Mt. Helix Academy agrees to provide the child named above with a quality education which includes all of the following:

- teaching skills and knowledge that will benefit the child as well as benefitting society;
- using evidence-based methods to teach in the most efficient and effective manner available;
- teaching in a manner that is as free of coercion and punishment as possible;
- teaching by teachers who accept the responsibility for implementing effective education; and
- communicating regularly with the child's parents regarding the child's education in a manner that praises progress and seeks to solve positively problems associated with unacceptable behavior or rates of learning.
